

JNU Corporate Social Responsibility Events

To train general public about cardio pulmonary resuscitation, a session was taken by our anaesthesiologists on World Anaesthesia Day.

A session on stress management was taken by our team of Psychiatrists and Physiotherapists for Employees of Secretariat.

A 3 day camp was organized in collaboration with Bharatiya Jain Sangathana in which 9 specialist plastic surgeons from US and Germany conducted plastic surgery operation on patients with congenital Cleft lip and palate, burns and facial disfigurement.

Students of 3rd MBBS visited various nearby villages and schools under the Govt programme NIRAMAYA. They talked to them and educated the general public about hygiene, sanitation, prevention and control of communicable diseases like TB, Pneumonia, Diarrhea and distributed educational pamphlets.
