RUCHI KHIRBAT

MBA (Dual Specialization) [2018]
OYO Rooms

It gives me a great pleasure to associate myself with School of Business & Management, Jaipur National University. It is difficult to put the two years experience in a few lines but I must say that the culture and ambience is quite exceptional over there. Winning first prize in dance competition in Technorazz festival, has really boosted my confidence. My heartfelt thanks go to Training & Placement Department for helping me out to get a great placement.

NITESH KUMAR SONI

MBA [2018]
OYO Rooms

I take great pride in saying that I have been a student of Jaipur National University for both my graduation and post graduation. JNU has provided me with a platform to explore my potential to a great extent and just because of that I was always in the top ranks of many competitions, such as – Sudoku Contest, Chess Tournament, Cricket and Technorazz. I have secured my placement in OYO Rooms with all the help provided by the placement department. I would like to thank all of my faculty members for helping me to become a better person.

AKASH DUBEY

BBA [2018]
Extra Marks

JNU is a blend of professional environment for teaching, developing personality and co-curricular activities. The value system provided by the University enabled me to become an ethical manager. Lowe JNU to provide and holistic growth. Hostels, cafeteria and sports never let me feel that I am away from home.

MEENAKSHI SAXENA

B.Com [2018]
Mc Donalds

I was pleasantly happy by the quality of the facilities JNU provides. Excellent teaching methodology and problem solving sessions by the faculty members is amazing. It enabled me to enhance my communication skills and presentation skills. As a proud student, I recommend you to join JNU as your Alma mater.

ROOPAL JASNANI
MCA (2014-18)
GirnarSoft, Jaipur

It has been an immense pleasure being a student of MCA department in Jaipur National University. I have found awesome advisers, mentors and friends here. I don't know if it is possible to convey in words the sense of gratitude I feel for the JNU family. I have been inspired to achieve a level higher than I thought is possible. The guidance, encouragement and support received during this period from the department were invaluable. It made me a strong person. The quality of teaching, infrastructure and platform for any student is at greater level to excel here. I am also extremely grateful to the Placement Department for all their efforts for making me placed in a reputed MNC.

ADARSH AKSHAT
BCA (2015-18)
Deloitte, Mumbai

I appreciate the placement process of our university, everyone is working really hard for all students so that they could get easily placed in best companies, I was really lucky that I got placed in my first ever placement drive by Deloitte, Mumbai. My sincere thanks to all the Faculty members, mentors and everyone in Jaipur National University family for their support and motivation. They have played a very crucial role in shaping my career & proved me right, in selecting Jaipur National University over other universities. I carry along with me beautiful memories of this place and will always cherish them. Thank you Jaipur National University for making this journey so pleasant.

GAURANG KANODIA
BCA (2014-17)
SAP Labs, Bangalore

I thank Jaipur National University & School of Computer & Systems Science faculty members for putting in all the efforts to groom us and make us corporate professionals. It was a wonderful experience at the University. I would like to appreciate the placement cell for the efforts they made for providing a fair and ample amount of chances to students. The faculty members worked so hard on our overall development and conducted special sessions for us to enhance our technical and interpersonal skills.

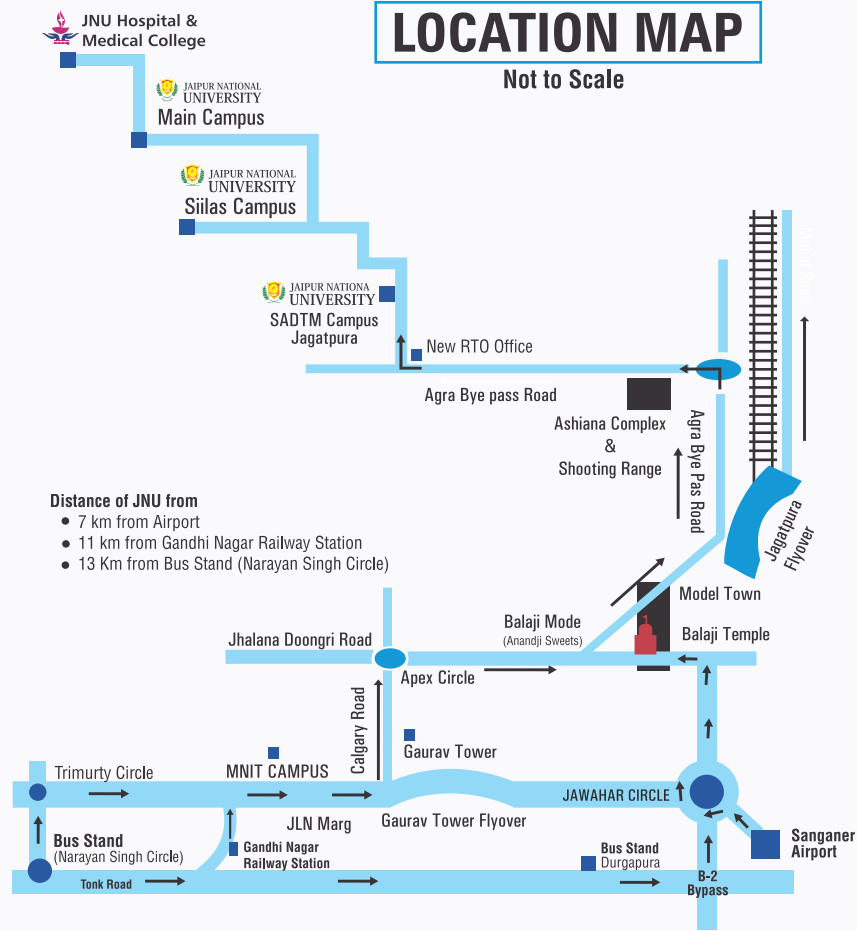

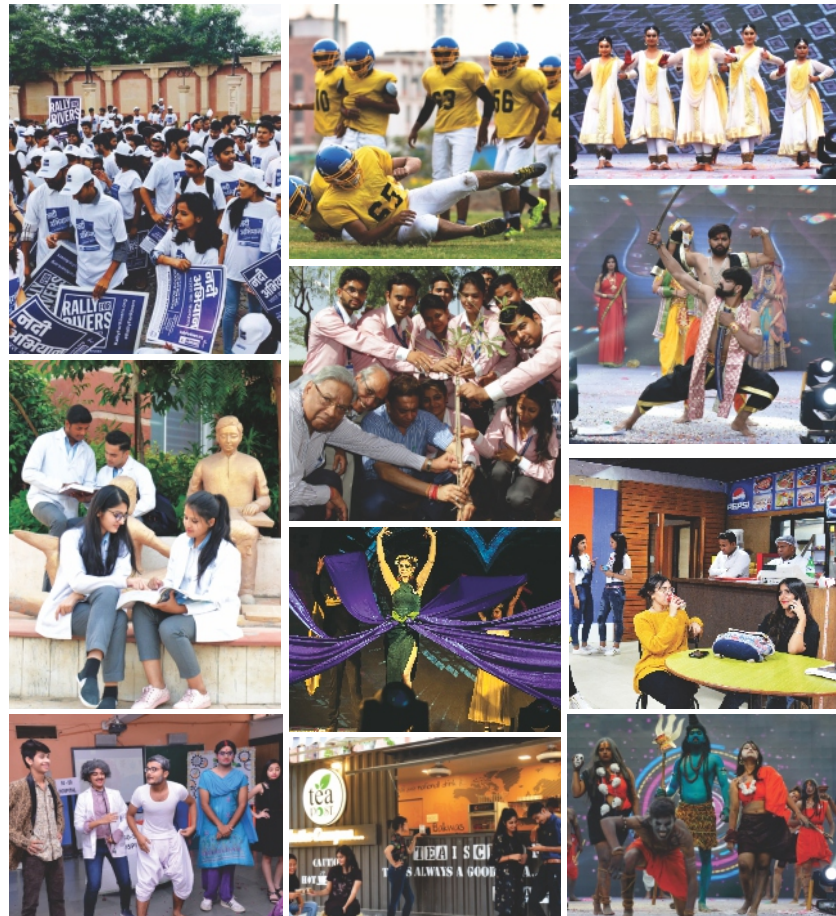

MADHVI CHAUHAN
MCA (2016-18)
NIIT Technology, Greater Noida

I thank my professors for their constant encouragement and support. During my MCA they challenged and pushed me to be better and creative in my projects because of which I now have enough confidence to tackle any problem. Also by the efforts of the Placement Cell I got placed in NIIT Technologies, Delhi. I feel very proud to say I am a student of Jaipur National University.

PRASHANT TRIPATHI

B.A. LLB (Hons.) (2013-2018)
Sanjeev Singh & Associates,
New Delhi

Seedling School of Law & Governance, Jaipur National University, a place which inculcated within me knowledge of law and bestowed me with the confidence to face the legal fraternity and of course the ups and downs of life which a person faces when he comes out of the college life. I was fortunate enough to get the blessings and teachings of Late Prof. (Dr.) V. S. Mani, former Director who supported me till his last breath and provided me with limitless opportunities to participate in various moot court competitions. I could never forget the teachings of Dr. Mithilesh Vishwakarma, Deputy Director and the endless support that Sir has extended to me. SSLG has not only taught me the law but it also taught me the challenges of real life as well. Co-operation by teachers is unmatched. I extend my sincere gratitude to Asso. Prof. Komal Audichya for all the teachings she gave to me.

KRITI BHATIA

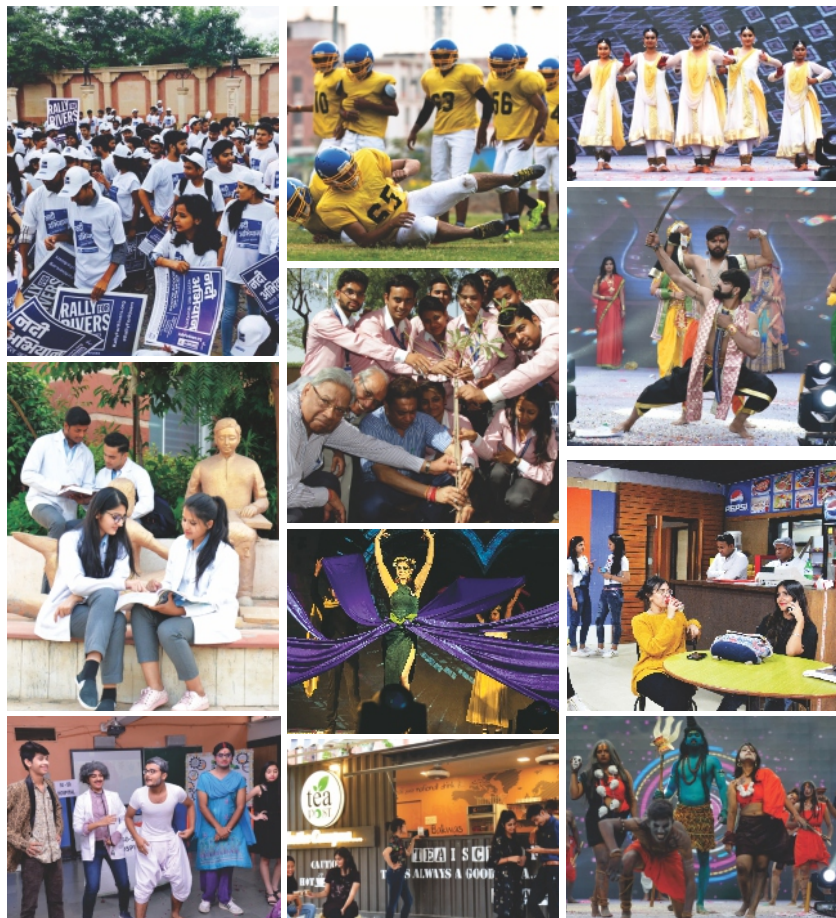

B.A. LLB (Hons.) (2013-18)

It gives me happiness to associate myself with Seedling School of Law & Governance, Jaipur National University. The facilities provided by the university are beyond words be it enriched libraries, conducive environment for learning etc. I believe that there exists moral support and determination to achieve an initial step of something best in life. The former part is within ourselves, and for the later there are people who provide us with utmost help, for which I would like to thank the faculty members of the University. The culture, values and the morale that the university provided for complete development of my work life balance are undeniable.

ANJALI BANKER
MJMC (2015-16)
Indigo

I had a pleasant journey during my graduation at Jaipur National University. All my faculty members were very helpful. They taught me about hard work and how to live life independently. I enjoyed our project submissions, documentaries, presentations and short films and learned a lot during the process. Jaipur National University gave me a platform to start my professional life. I got placed in Indigo and today I am working as a cabin crew member. I am successfully handling all new challenges of my professional life. I wish to achieve more and will try my best to make my parents and my faculty proud.

RAJIB NANDI
(M.Sc.) (Biochemistry - 2009)
Novartis Healthcare Pvt. Ltd.

A true educational institute stands by the philosophy of developing character and career. Those nurtured talents further contribute in Nation building in a broader way. JNU, Jaipur truly stands by this philosophy, where the University is relentlessly striving towards excellence in education covering multi disciplinary streams. The degree (M.Sc. Biochemistry) that I earned from this University gave me the wings to excel in my career and created an opportunity to be a part of one of the most admired MNC pharma company- Novartis Healthcare Pvt. Ltd. All my heartiest wishes to JNU in its endeavor towards catering highest quality education and making successful global citizens for tomorrow.

MR. SHUBHAM BATRA
B. Sc. (Microbiology)

It was a great experience being a student of Jaipur National University, the University with excellence. The faculty members worked so hard on our overall development and made sincere efforts to enhance our technical and interpersonal skills. Also, I would like to appreciate the University's placement cell for their exceptional efforts in creating a platform for me to get placed as Quality Control (QC) / Quality Assurance (QA) trainee at Paayas Milk Industries.
