Instruction Booklet for Students

(Online Examinations, June - 2020)

Dear student,

I hope you are safe and sound and doing well at your place. In view of the Covid-19 crisis which is not yet over, the College has decided to conduct Online Examinations as part of the Internal Assessment from 22nd June 2020. This step has been taken to ensure completion of the academic session of the students without causing loss of the session / year.

The Date-wise schedule is attached.

So, you will be writing the Examination from wherever you are located / placed during the examination period 22nd June 2020 to 29th June 2020.

- The duration of each Examination paper will be TWO Hours only (Not three hours as it had been).
- The Examination will be in TWO Shifts: Morning Shift from 10 am to 12 Noon and Evening Shift from 02 pm to 04 pm.

About the format of the Paper:

- Each paper will have two Sections: Section-A & Section-B
- **Section-A** will contain questions, each of 1 mark.

These questions can be of the following categories:

- (a) MCQs (Multiple Choice Questions), each with four options: you will be required to either Tick Mark or Choose the correct option.
- (b) 'Fill in the Blank' type questions/ 'One-word' or 'two-word' answer questions: you will be required to type the answer in text provided.
- (c) True/ False: you will be required to either Tick Mark or Choose the correct option.

- **Section-B** will contain SUBJECTIVE type questions - One Long Essay and two short answer questions. You will be required to write your answers to the subjective type questions on A-4 sized sheets.

Hence, please read carefully the instructions given for each question and also the instructions given at the start of the examination.

Technological Requirements for successful conduct of this Online Examination:

1. In your home or wherever you are located, choose a place for writing your exams, which is free from any kind of disturbance / noise.
2. Keep ready your Laptop / Desktop / Mobile with Webcam & Google Chrome Browser in incognito mode with good reliable Internet Connection for uninterrupted examination work and its timely completion.
3. Cam-Scanner app must be installed on your Mobile Phone as it will be required for scanning and uploading files of your answer-sheets in PDF format.
4. Keep the necessary Stationery such as blue Pen, Pencil, eraser, scale e.t.c and sufficient ruled A-4 size white sheets for writing the answers to subjective type questions given in Section-B of the paper.

5. After you have written your answers in your A-4 Size Sheets, you will be required to upload the scanned copies. The task of Uploading will be allowed at the End of the Exam. *For this you will be given extra 20 minutes.*

Essential Procedural Steps before you are allowed to see the Question Paper and permitted to start answering the questions:

You will be allowed to login 15 minutes before commencement of the examination for verification of your Identity and to complete other formalities before permitting you to write the Examination. URL for the exam and your Login ID and Password for each paper will be provided in your Admit card. **Keep it safe and DONOT share this information with anyone else.**

1. Verification of your Photo: Click your photo and upload it (use buttons given on the screen)
2. ID Card verification: Click photo of your ID card and upload it (use buttons given on the screen)
3. Authentication of the Identity of the Examinee by the Proctor.

Once these are done, you will be allowed to see the question paper & start answering the questions.

Proctoring / Invigilation system in Online Examination

- Do not get away with the notion that in the Online Examination there will not be any invigilator physically present, your activities will be constantly observed, monitored and recorded.
- Directors and Faculty members will be constantly proctoring/ watching your position and your movements during the writing of your examination to ensure fair examination.

Therefore you are advised to ensure that nobody is around you and you do not adopt any kind of Unfair means. If you do that, you will be doing it at your own risk. The Proctoring team will debar you.

Candidate appearing in the Exam must ensure the following:

- Desktop/ laptop or Mobile phone
- Google Chrome Browser in incognito mode, **the exam will work on Chrome browser only**
- Active reliable internet connection
- Minimum available data pack of **500 MB for exam duration**
- Working integrated web camera (front camera in case of Mobile/ laptop/ desktop/ Tablet) and microphone.
- The Location setting has to be kept on.
- You have to be constantly in front of the screen of your Laptop / Desktop / Mobile etc
- When the exam URL asks for allowing access to the Camera and Microphone needs to be allowed.

- Cam Scanner app must be installed on Mobile Phone as it will be Required for scanning and uploading files in PDF format.
- You are advised to scan the answer paper in PDF format from Cam Scanner software.
